Dementia Care: The Future

12th April 2018, Bridgewater Hall, Manchester

CARE ENGLAND

Representing independent care providers

Care England

- Largest representative body in the care sector
- Working on behalf of small, medium and large providers
- Charities/corporates/independents
- Funding for Quality Care
- Proportionate regulation
- Workforce
- Innovation

CARE ENGLAND

Dementia support: What does good look like?

- Start with the person
- Start with Capacity NOT Incapacity
- From dependency to independence
- From receiver to contributor
- Maintain and develop relationships
- From separation to integration
- From isolation to community participant

CARE ENGLAND

Opportunities and Challenges

- Developing support: integration with the community
- Creative approaches: holding values & developing new services
- Assurance of quality & safety
- Risk Aware NOT Risk Averse
- Leadership, staffing & partnerships
- Flexibility & innovation
- Timely professional advice
- Support for carers

CARE ENGLAND
Representing independent care providers

A message to the system

- Developing a long-term funding system
- Building a system on quality not cost
- Integrating health & social care outcomes
- Developing person centred outcome measures
- Offer direct payments for all services
- Understand the true costs of care
- Value & reward quality
- Reduce bureaucracy
- Develop & pay the workforce
