“I was surprised, it’s the first time I’ve ever done anything like that… Now after seeing what I have seen there I could have operated one. First time I’ve ever done it like, first time I’d had one of these sort of arms.”

“Well I wanted to put my hand on the table to … steady myself”

“Brilliant, brilliant...it were absolutely brilliant ...I give it 10 out of 10 what you've done”
