“An application that has **revolutionised** the way in which young people are able to communicate with social workers, staff and other designated professionals by using technology.”

Moorside Children’s Home Manchester Inspection Report,
Ofsted

“Services to promote children’s participation are accessible, through **imaginative use of technology** like the Mind Of my Own app… The young people really appreciate this in preference to the written documents that they used to complete.”

Gateshead Children’s Services' Inspection Report,
Ofsted

Real change can only happen when we move away from consultation to meaningful involvement
