Inspiring Communities Through Sport

Introducing our partnership…

Saints Community Development
foundation
Inspiring Communities Through Sport

Community
Integrated
Care

- **Accessible** sports sessions
- Unique **match day experiences**
- **Player visits** to our services
- Recognition for **staff**

We’ve not stopped there though…

Saints Community Development foundation

Inspiring Communities Through Sport

Community Integrated Care

- Desire to make a difference in the **wider community**
- Support people with **dementia at reminiscence sessions**
- **Mental health** awareness and support

KCC Knowsley Community College

What’s next?

Saints Community Development foundation

Inspiring Communities Through Sport

Community Integrated Care

- **Creating accessible changing** at Totally Wicked Stadium, after a local need for this was identified
- Setting up an **employability programme** for people with mental health needs with Knowsley Community College
- **The Golden Generation –** a project to **combat loneliness** in our Extra Care Services for people over 55

Community
Integrated
Care

Thank you
